

Evening/Social Events

The conference offers a number of social events to allow our delegates to get to know one another, relax and network outside of the main Conference programme.

We're still working on the Programme and we're excited by the number of possible events we might introduce into the 2017 conference. Watch this space!

Ceilidh Band, 21:00 - 23:00

Life of Riley Ceilidhs are strictly for fun & for those that don't want to take it all too seriously! No previous experience is needed as the caller will guide you through the dances, none of which are too complicated. Songs & tunes are performed between dances to allow everyone to get their breath back.

Although they are a trio, they sound more like a six piece band when they're playing one of their gigs. This Forest Of Dean based band can be found playing most weekends for Ceilidhs, Barn Dances and Hoedowns around South West England and Wales.

Take part and be guided through a foot-tapping Ceilidh!

Disco, 23:00 - Onwards

Want to keep the party going? Come along to the disco, DJ'd by Ash Stanley from [Artifex Studios](#) and dance the night away!
